

2018 ANNUAL REPORT

Dear Friends of Building Hope Ministries,

God has blessed us with another exciting year of ministry in 2018! It would not have been possible to accomplish our goals without you!

Since the beginning of this ministry in March 2007, God has blessed Building Hope with over \$300,000. This past year, He provided close to \$20,000.

These funds have greatly assisted those in need, not only in India, but also in our local food pantry, Baltimore, MD, and throughout the United States.

On the right are a few highlights of this past year. God bless you and thank you for your ongoing prayers and support!

In Christ,
Michael Callahan
Executive Director & President

BHM's "10" year anniversary was actually celebrated in our eleventh year in May 2018. It was a very joyous occasion with praise and worship, guest speakers, and delicious food. Indian cuisine seemed very appropriate for this event. You may visit our blog on our website to view more pictures of this most celebratory evening.

CHURCH CONSTRUCTION

Building Hope was blessed to raise funds to complete two churches in the state of Andhra Pradesh, India. One church is located in Srikakulam.

The other church is located in a small town named Maruter. Each church was dedicated to the Lord in January 2019.
