

2019 ANNUAL REPORT

Dear Friends of Building Hope Ministries (BHM),

God Almighty has blessed us once again with a very fruitful year. As always, we appreciate your ongoing prayers and financial support. It would not be possible to accomplish our goals without you!

As more time can now be invested into this ministry by our Board of Directors and ministry partners, we trust that 2020 will be a year of increase for BHM.

In 2019, the funds that BHM received greatly assisted those in need, not only in India, but also in our hometown of Bowie, MD. We are very thankful for His provision.

On the right are a few highlights of this past year. God bless you and thank you for your ongoing prayers and support!

In Christ,

CHURCH CONSTRUCTION

BHM traveled to Kerala, India in August 2019. We attended a church dedication in Pathanamthitta District. Funds for this roof were raised through generous donations. Earlier in 2019, BHM also repaired a church roof and completed a parsonage. This project was located in the village of Mallikarjunapalli, Telangana.

CHILDREN WITH HIV/AIDS

On a monthly basis, BHM's ministry partners in Kerala provide food for these children and open up their church for a worship celebration. They truly demonstrate the love of Christ.

BHM supports 40 children in Thrissur District, Kerala every month. Fifteen dollars provides two meals per day for an entire month for one child! Prayerfully consider this opportunity.

WIDOWS

The widows above are from the state of Kerala. BHM provided 200 sarees for them this past Christmas! BHM also provided sarees for widows in Andhra Pradesh and Telangana.
