

## 2020 ANNUAL REPORT

Dear Friends of Building Hope Ministries (BHM),

Everyone was caught by surprise by the global pandemic in 2020. However, God blessed BHM in abundance as our ministry had a very fruitful year. As always, we appreciate your ongoing prayers and financial support. It would not be possible to accomplish our goals without you!

The Lord continues to bless BHM financially. In addition, He is expanding our territory. In 2020, an online Bible study, Iron Sharpens Iron (ISI), was birthed. In addition, devotionals have been written for the blog area of our website. BHM now also provides Bibles for those in need.

In 2020, the funds that BHM received greatly assisted many, not only in South Asia, but also in our hometown of Bowie, MD. We are very thankful for His provision.

On the right are a few highlights of this past year. God bless you and thank you for your ongoing prayers and support!

In Christ,

Michael Callahan  
Executive Director & President

### WANT TO HELP?

Since 2007, BHM has raised funds to complete multiple churches in South Asia. New projects are always on the horizon. BHM also finances wells. As of this writing, we are involved in three well projects. In addition, BHM provides food on a monthly basis for children with HIV/AIDS, supports widows with food and clothing, assists children with educational needs, supplies Bibles for those in need, and supports church planters so they may eat. If you would like to provide financial support to one or more of these ministries, you may give online at: [giving.BuildHopeNow.org](http://giving.BuildHopeNow.org)

## CHURCH CONSTRUCTION

BHM and our South Asia partners began working on this church in early 2020. Even through the pandemic the Lord provided financial and human resources to complete the work. The church was completed in the first quarter of 2021, a Dedication Service was held, and God was worshipped and glorified.

## CHILDREN WITH HIV/AIDS

On a monthly basis, BHM financially supports 38 children with HIV/AIDS. This allows each child to have two meals per day for an entire month. BHM has assisted these beautiful children since May 2012. They gather monthly for worship and fellowship.

The photo above was taken during the 2020 Christmas season. BHM was privileged to support these children with Christmas gifts. It is amazing how appreciative they are over one box filled with presents. It truly is an honor to invest in their lives.

## BIBLES

In June 2020, BHM began supporting another region of South Asia so they may purchase Bibles for those in need. In 2020, BHM was able to provide Bibles to 500 people!
