

September 3, 2024

Dear Supporter(s) of Building Hope Ministries:

Thank you for your generous donations that have allowed Building Hope Ministries (BHM) to thrive since 2007.

BHM would like to inform you of an important change in the administration of our non-profit organization. Our Founder, Reverend Michael Callahan, is leaving his paid employment on September 22, 2024. He currently serves as Executive Director and President of BHM in a volunteer capacity. Michael will maintain his current roles and will become more involved in BHM missionary works.

Michael has devoted countless hours to leading the ministry since its inception, all without compensation. Given that Michael will no longer have permanent outside employment, it is BHM's desire to allow donors to contribute to his financial well-being. Recurring (preferred) or one-time donations may be made online at: [Michael.BuildHopeNow.org](https://www.Michael.BuildHopeNow.org) or by check to the BHM mailing address shown below. Contributions may also be made on the "Giving" page of the BHM website. If by check, please write "Michael" in the memo.

It is important for you to know that no other BHM designated funds will be directed to Michael. All present and future donated funds specified for wells, Bibles, sarees, and other ministry projects will still be used for their intended purpose only. Michael will receive only the donations specified explicitly for him.

We feel that this change is now justified, if not overdue. Michael will devote more time to BHM activities than ever before, and so he deserves our support more than ever. More of his time invested into BHM will translate into expanded ministry opportunities both domestically and internationally. Please give prayerful consideration to joining us in providing well-deserved support for Michael.
